

Q: The Basics

An Introduction to Q and the Great Awakening

OUTLINE VERSION

I. INTRODUCTION:

- **Q:** eponymous and anonymous poster who posts insider information
- **Anons:** the other anonymous posters who follow and converse with Q
- Increased numbers of obviously coordinated articles since President Trump's rally in Tampa Bay on July 31st, 2018 necessitate accurate information response
- **Crumbs:** information and intel posted by Q (allusion to bread crumbs)
- **Side by sides:** side-by-side graphics confirming intel through open-source reporting
- **Proofs:** graphics showing coincidences mentioned by Q are not coincidences at all
- **Great Awakening:** organic information operation and truth-seeking campaign associated with Q
- **Websites to view crumbs and other graphics:**
 - **qanon.app**
 - **qmap.pub**
 - **qproofs.com**
 - **qanon.news**

II. WHERE AND WHEN DID Q START TO POST?:

- First crumb Q posted was on 4chan
 - On October 28th, 2017
 - On the board /pol/
 - In the thread "Mueller Investigation"
- Posted on other threads (e.g. "Bread Crumbs - Q Clearance Patriot")
 - On October 31st, 2017
- The thread Calm Before The Storm (CBTS) was created on November 1st, 2017
 - 536 threads
 - Used until Q stated 4chan had been infiltrated and security compromised
- Q then moved to 8chan
- The board /cbts/ was created on 8chan on November 19th, 2017
 - 308 general threads
 - Q posted on /cbts/ until January 6th, 2018
 - /cbts/ also compromised
 - Q unable to use the tripcode
 - **Tripcode:** pseudo-registration that verifies a poster's identity
- Q first posted on a new board called /thestorm/ on January 5th, 2018
 - Q and anons stopped using /thestorm/ after 41 general threads
 - Stopped due to internal disputes and self-promotion

- On Monday, January 8th, 2018, /qresearch/ was created
 - Still in use today
 - Henceforth referred to as The Board
- Also on January 8th, 2018, Q made a private board for Q alone to post in, named /greatawakening/
- On March 28th, 2018, Q stopped using /greatawakening/
 - Stating that it was under attack
- Q made /patriotsfight/ on May 4th, 2018, the private board Q uses today
- **Those who are new to The Board are encouraged to observe how anons operate and research before contributing**
- **There are no communications outside these boards or with anyone privately and anyone claiming otherwise, “should be considered fake news and disregarded immediately”!**
- **How The Board actually works**
 - **Code Monkey (CM):** maintains 8chan
 - **Board Owner (BO):** maintains The Board
 - **Board Volunteers (BVs):** help maintain The Board
 - **Bakers:**
 - 8chan has a maximum limit of 751 for the number of posts in a thread
 - To maintain the research done by anons in the general thread, an anon must make (**bake**) a new thread (**bread**) each time a thread reaches 751 posts
 - Responsible for posting the first posts:
 - Q’s recent crumbs
 - **Notables:** notable posts of research from the previous thread
 - **Dough:** other information and links
 - The Board has other threads for memes, side by sides, and other research topics
 - **Shills and Clowns:** Those who attempt to disrupt, discredit, or distract anons from doing and discussing research on The Board
 - **The anons themselves come from many countries, occupational backgrounds, and stages of life, working with a “Hivemind” to attempt to better understand the truth behind historical and current events**
- Q may post several times a day for weeks or, conversely, not post for days or weeks at a time.
- There have been more than three million posts on The Board
- Q has dropped over 2000 crumbs
- Reaching an audience of tens of millions in the United States of America and around the world

III. WHO POSTS AS Q?:

- Signoff as “Q” in most crumbs began in a post on November 2nd, 2017

- Before this date, Q had already introduced the concept of being a “Q Clearance Patriot”
- **“Q Clearance”**: Department of Energy security clearance designation for someone who has access to Top Secret, Secret, and Formerly Restricted Data, in addition to National Security Information
 - This clearance is similar to the Top Secret clearance in the Department of Defense
- **Q never claims to have this specific clearance, nor to work for the Department of Energy**
- The “Q Clearance” simply signifies that Q has a high level clearance designation
 - Alludes to the “Q Clearance” given to Jack Ryan in *The Hunt for Red October* wherein he did not have the necessary clearance to help in the search for the rogue submarine
 - Meant to imply that Q has the necessary security clearance to be cryptically divulging insider information without leaking, thus maintaining national security
 - Allusions as foil to expose, mirror and thus counter the media and entertainment industries’ deliberate development of popular culture into a propaganda arm of those who advance their own agenda
- **Q’s signoffs**:
 - Q
 - The WH
 - 4,10,20
 - Q+
 - Q, DELTA
 - Q [auth478-24zgP]
 - Occasionally Q does not use a signoff, yet anons know that it is Q due to the tripcode used
- Individuals are encouraged to see the signoffs within the context of the specific posts where they appear and to draw their own conclusions
- Q has stated that, “We serve at the pleasure of the President”
 - **Q works for President Trump**
 - **Q is a team**
- **Many of Q’s posts and pictures imply that Q is close to the President**
 - Pictures of the President’s pen and signatures
 - Scenes from Air Force One while the President is traveling
 - Other images and crumbs that imply that Q is close to the President
- “Less than 10 can confirm [who or what Q is]”
- “Only three are non-military”
- **Anons do no try to dox, or identify, Q**
- It is common to refer to Q as a collective singular noun
- **Q is a team of high-ranking officials within the Trump Administration who post information to awaken the public to sensitive and important events or “happenings” that the media may or may not report on, and to provide insider context**

- Anons were given this on March 10th, 2018 in reference to Q’s identity: “How many coincidences before it becomes mathematically impossible? Wait until you learn who has been talking to you here.”
- **Q’s specifically confirmed identity might remain a mystery to anons and to the public, but ultimately that is not important.**
- **The messages, information, intel, and facts that Q posts are important.**

IV. WHAT DOES Q POST ABOUT?:

- **Cryptically worded statements and questions that are meant to lead anons and the public to question and research insider information about presidential policies, events, and strategies**
 - Without violating National Security (NATSEC) and Operational Security (OPSEC) laws
 - No leaking or divulging of secret or classified information
- Intel is focused on what President Trump has faced, is facing, and will face as the leader of the free world: corruption, subversion, sedition, and evil
- **Signatures:** Ongoing or upcoming events in this fight are alluded to in cryptic phrases
 - Meant to allude to an event that cannot be explained at the time that the signature is used
 - Examples:
 - “Alice and Wonderland” (not to be confused with just “Alice”)
 - “Sum of all Fears”
 - “Hunt for Red October”
- **Stringers:** important and puzzling strings of words, numbers, letters, and symbols that are meant to convey more sensitive information
 - Example on November 25th, 2017: `_FREEDOM-_v05_yes_27-1_z`
- Individuals are encouraged to research and learn for themselves what these crumbs imply and to draw their own conclusions
- **Q started with a macroscopic overview of the nature and structure of the current World Order, which President Trump was elected to confront and change for We The People**
- **“Puppet Masters”:**
 - George Soros (+)
 - Q has stated that Soros has taken the place that the Rockefeller family previously held in this World Order
 - The Rothschild Family (++)
 - The House of Saud (+++)
 - Saudi Arabia has been largely removed from this power structure
- Many of Q’s first crumbs explained aspects of the control exerted on We The People by these three “puppet masters” and those that work with or for them
- **Cabal:** compromised monarchies, politicians, governmental agencies (Deep State), corporations, charities, media organizations, and other private individuals
- Q has repeatedly stated, “They never thought she (Hillary Clinton) would lose.”

- Upon her presumed victory, for which the Cabal so spectacularly unsuccessfully fought, the Cabal would have continued unimpeded and increased its illegitimate control over the world and its people
- The Cabal tried everything they could to get her elected:
 - Financiers spending billions of dollars
 - Media organizations lying
 - Deep State actors within government agencies leaking
 - Spying on President Trump as a candidate, president-elect, and President
- **Q's crumbs then began focusing in more detail on all the Cabal has done, is doing, and likely will try to do.**
- The spying on President Trump and his campaign is an example of how Q focuses microcosmically on events
 - The CIA, FBI, DNI, Five Eye [Australia, Canada, New Zealand, UK, and USA] Alliance, Republicans, Democrats, former President Barack Hussein Obama and his White House, and others appear to have themselves colluded to abuse the FISA process with a fake “dossier” to illegally spy on President Trump’s campaign using “plants” and spies
- Pre-empting the public exposure of their crimes, they have been unsuccessfully attempting to frame President Trump through projection with allegations of “collusion” with Russia for the “hacking” of emails from Hillary, the DNC, John Podesta, and others.
- **A wide range of other topics, events, and scandals are covered in the over 2000 crumbs dropped without leaking or breaking national security laws:**
 - CIA, DNI, FBI, DOJ, and others
 - Globalism
 - Mass migration
 - Cultural Marxism
 - Human trafficking
 - Clinton Foundation
 - Uranium One
 - WikiLeaks
 - Seth Rich
 - Jeff Sessions
 - Robert Mueller
 - John Huber
 - Many discredited officials from Obama’s presidency
 - President Trump’s strategies and executive order
 - Media corruption
 - Illegal spying on citizens;
 - Infiltrations of the United States government by foreign bad actors
 - Extremist organizations like MS-13, ISIS, and Antifa
 - Political subversion used by the Cabal and their politicians
 - Foreign policy strategies on North Korea and Iran
 - **And much more**

- **Q aims to reveal who controls the world, how they control it, and what is being done to stop this control**
- This enlightenment of the public consciousness and conscience, not just in America, but worldwide, is known as the Great Awakening
 - The “awakening” occurs as anons decode and decipher the meanings of crumbs and disseminate them to the rest of the public
- Anons create:
 - Memes to make the message easier to understand
 - Side by sides to show through open-source reporting what the crumbs mean
 - Proofs to show Q and President Trump’s connections and similar thought processes
- The intel contained in the crumbs is revealing, informative, and educational, and anons understand it is for the good of the country and the world for the public have to access to this information
- **Millions have already been reached, and millions more will be in the future. Q’s posts have shown these millions what the Cabal has been doing, who is in the Cabal and how the Cabal has been controlling the world. Yet with each revelation to the public, the control by the Cabal over humanity decreases, day by day, post by post.**

V. WHY DOES Q POST?:

- Q first used the term “Great Awakening” on the second day of posting, October 29th, 2017
- On January 8th, 2018, Q first used the phrase, “Where we go one, we go all” (WWG1WGA)
- Q has used many other phrases:
 - “Truth belongs to the people”
 - “The choice to know will ultimately be yours”
 - “Expand your thinking”
 - “Dark to light”
 - “You are not alone in this fight”
 - “Good will always defeat evil”
 - “Future proves past”
 - “Read the Bible. God Wins”
 - “You are the calm before and during the storm”
 - And many others
- **These phrases signal – to the anons that decode, research, and spread the crumbs, and to the public as well – that we can help President Trump fight the Cabal by educating others about what it is that we are fighting**
- **Q reminds anons and the public:**
 - This fight’s “Scope and size [is the] biggest in history”
 - “Trust the Plan”
 - “Stay the course”

- **The Plan to fight the Cabal was initiated by Patriots, and Patriots were, are, and will be helping the President execute it**
- The Great Awakening is not a conspiracy theory or a cult, as those who seek to discredit would like the public to think
- It is a sophisticated and coordinated information operation from within President Trump's administration to enlighten the public about the true state of affairs of the nation and the world, providing vast amounts of information beyond the scope of this introduction
- **So vast in fact, that Q has stated, "These, the crumbs, in time, will equate to the biggest drops ever disclosed in our history."**
- The Declaration of Independence that led to the founding of the great Nation that is the United States of America states that, "Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government"
- **We The American People acted in accordance with this ideal by electing President Trump to renew our government and Q, through the Great Awakening, is enlightening We The People about what the enemies of the people have done, are doing, and will do to fight this historic change**
- **The intensification of attacks against Q, the Great Awakening, We The People, Patriots, the President, and the United States of America are indicative of the ferocious level of resistance to the loss of power and control of those whose deeds and true objectives are being exposed. In order to mitigate the confusion in this time of chaos, Q has asked anons to help be the Calm Before and During The Storm.**
